CAMPUS

Dear Lynn,

On behalf of the Committee to Eliminate Homophobia and Heterosexism, we appreciate the opportunity to write a proposal to receive \$500.00 from the Richard Katzoff Fund to support our work on campus.

We are proposing to offer a gay and lesbian film series which would run throughout 1993-94. One night a month would be devoted to showing films on gay and lesbian issues, focusing on a particular theme. Some of the films being considered include Before Stonewall, The Life and Times of Harvey Milk, Tongues United, Stop The Church, Lesbian in the Pulpit, Greetings from Out Here, in addition to some shorter pieces. We are fortunate to have members of the committee who are knowledgeable about gay and lesbian films.

At each film session there would also be time for discussion, and at certain films, other invited guests. We are hoping to make these educational events which would attract a variety of people.

We also plan to send out a complete list of films and dates at the beginning of the semester so faculty can schedule them into their courses. In any of the publicity, Richard Katzoff and this fund would be acknowledged.

Thank you in advance for helping us continue to do some ground breaking work at URI which we hope serves the goals that Richard shared.

Sincerely,

A handwritten signature in cursive script that reads 'Diane Goodman'. The signature is written in dark ink and is positioned above the typed name.
